

DRIFTY
REC

The logo features the text "DRIFTY" in white, bold, block letters with a black outline and a slight 3D effect. Below it, the word "REC" is in a similar style, with "RE" in orange-to-yellow gradient and "C" in white. The "C" is stylized with two orange and yellow wing-like shapes extending from its right side. The entire text is set against a rounded rectangular background with a purple-to-blue gradient and a subtle light effect. The background is itself inside a larger, light gray rounded circle.
